

The Alberta Ghostbusters and how we do Fundraising

The Alberta Ghostbusters is a non-profit group that works at events throughout the year (all over the Province of Alberta) and raises funds for local charities. The Alberta Ghostbusters are endorsed by the Ghost Corps and we have an Alberta Liquor and Gaming licence (AGLC) so with that we are able to make raffles with amazing prizes that we sell at the events we attend. We also sell merchandise at the events that are obviously Ghostbuster themed. We sell original Ghostbusters as well as limited Alberta Ghostbusters themed items.

Ghost Corps is a subsidiary of Columbia Pictures Industries, Inc. formed in March 2015 to focus on expanding the Ghostbusters brand with live-action feature films, animated motion pictures, television, merchandise, and other new entertainment products.

We are partnered with the Alberta Children's Hospital, the Make-A-Wish Foundation and looking to make partnerships with more charities.

Alberta Ghostbusters is all about helping raise money for Alberta charities while promoting a love for Ghostbusters!
